

EXTRACURRICULAR ACTIVITIES

No student shall be absent from school for school sponsored extra-curricular activities in excess of 15 days per semester, and no class may be missed in excess of fifteen times per semester. If a student has missed more than the 9 days allotted in the absentee policy, he/she may not attend any games as per 4D above. A student may not miss school on the day following a game unless he/she has a written note from a doctor. If he/she does miss **all or part of the day** after a game and does not have a written excuse from a doctor, he/she may not play in the next game. In the event it is the last game of the season, students will be placed in "In School Suspension" for one day if he/she misses a day following the last game.

Wording in red will be added to the policy.
